

Contributing to Peace

through the

Windermere Adopt-A-Quality Program

"In IWP, we are moving inside, where we can have peace...and let the peace flow into the world." ~John-Roger

Windermere Ranch in Santa Barbara, California, is a remarkable property, filled with so many qualities of peace and joy. There is also a wonderful group of animals, **the Windermere Llamas, Sheep, Chickens, Roosters, Goats, bring a sense of innocence and playfulness to those who visit.** Over the years, people have expressed how the property and animals became teachers and inspiration for their personal lives.

The Adopt-A-Quality Program evolved as a vehicle for cultivating the qualities of peace within ourselves and are reflected back to us by the Windermere property and animals. These qualities of peace are already present within each of us. By claiming and energizing the qualities that we want to experience in a greater way, and then making our donation in support of this action, we not only expand the peace in us as individuals, but we also become conduits for these qualities to flow out into the world.

Learn more about this special way to contribute to peace on the other side of this page.

John-Roger charged the qualities of the Windermere property and other animals. The qualities will be activated in you as you participate in Adopt-A-Quality.

John Morton has blessed the recent additions to the list of qualities.

"Peace gives unto peace as love

gives unto love, as light gives to light, as laughter gives to laughter."

-John-Roger

How Do I sign up for Adopt-A-Quality?

The first step is to choose a quality (or qualities) of peace that you would like to energize and express more of in your life. Look over the list of qualities that have been assigned to the Windermere property and other animals and charged through this program. Once you have chosen your quality(s), take a moment to go within, ask for the Light for the Highest Good of all concerned, and then ask that your inner Traveler charge this quality(s) inside you for the Highest Good.

I have been Blessed with so much by this program. Every quality I have participated with has truly become part of me and my life. ~DH

The next step is to make your donation to Adopt-A-Quality by filling out the Adopt-A-Quality form. Each quality of peace is a donation of \$10/month for one year. For example, if you chose to expand and energize 10 qualities of peace through this program, your donation would be \$100/month or \$1,200 for the year.

What else can I look forward to with Adopt-A-Quality?

If you choose Adopt-A-Quality as a way to express greater peace in your everyday life, here are some **additional benefits** of contributing to this Program:

- You'll receive E-mail updates with messages from the Windermere herd, pictures of the property, llamas, sheep, & chickens and the latest news.
- You'll receive stories about the Windermere animals and the qualities of peace they reflect to us.
- And last but not least, you will be contributing to the care, feeding and training of the Windermere animals, an integral part of our Place of Peace.
